Recital: April 25

Our next studio recital is April 25. It will again be at PianoWorks, 2805 Buford Hwy, Duluth, 30096. Arrival time is no earlier than 3:00 p.m. We will start at 3:15 p.m. Dress should be on the nicer side, such as is worn for religious services. Suits are not required.

Summer Scheduling

The Summer Session will run June and July. I will continue my summer program of offering an ensemble class at a discounted rate for all students taking a private lesson. Students from other teachers are welcome to join an ensemble. Please let me know as soon as possible as I will be getting the music and starting students on it.

I will also be offering a theory class/group study. Please consider the theory class. This is such an important part of music, and our time during lessons does not allow us to cover this in depth. Our state association is starting to require students to pass a theory test in order to participate in certain competitions. Taking the group theory over the summer would allow students to be well prepared to pass these tests. If at least four students sign up, I will reduce the theory fee to \$5 per 30-minute session.

Summer and Fall Lesson Times

I will start scheduling summer lesson times starting April 13. I will open Monday, Tuesday, and Thursday to start with, opening Wednesday and Friday if there is a need. In summer, tuition is charged only for lessons scheduled. All students scheduling a summer lesson may also request a time for the fall schedule. It may need slight adjusting come Fall, but I will work to accommodate your request.

Audition Results

Congratulations to Elisha Fujikawa for receiving an OP and moving up to regional auditions. Well done, Elisha.

Increased Tuition Fees

I have not increased tuition fees for a number of years now. But, have had to do so starting this summer for 30- and 60-minute students.
